The weekend of festivities is set to finish with a massive event – a line up of global superstars of pop. We expect huge crowds so get there early to get a good view.

SUNDAY NIGHT ONE HUNDRED VOICES

Following on from last year, the 'Bethel Lighthouse Choir' leader Dave Copeland and 'The Bath Street Band and Singers' leader Darrell Prew, have been working on an unparalleled performance of contemporary Christian music. For the past few months they they have been working hard to create a combined performance of over one hundred voices drawn from local choirs in and around Walsall, bringing together a variety of different styles in a very short space of time, to present a combined performance, on Sunday night.
